

Question	Answer
<b>SCLS Wage Determinations</b>	
For the SCA/SCLS Wage Determinations, will the WD revision numbers be released prior to March 31?	The WD revision numbers will be updated on March 31, 2022 and are located on the Available Offerings page under the 'Incorporated by Reference' grey box: <a href="https://www.gsa.gov/buying-selling/purchasing-programs/gsa-multiple-award-schedule/selling-through-schedule/roadmap-for-new-schedule-offerors/1-get-ready/available-offerings-and-requirements">https://www.gsa.gov/buying-selling/purchasing-programs/gsa-multiple-award-schedule/selling-through-schedule/roadmap-for-new-schedule-offerors/1-get-ready/available-offerings-and-requirements</a>
Where can we find all the updated WDs? A listing would be good. We have an unpublished, non standard WD and it's difficult to find when it's updated.	You can find the updated WDs on the Available Offerings page under the 'Incorporated by Reference' grey box: <a href="https://www.gsa.gov/buying-selling/purchasing-programs/gsa-multiple-award-schedule/selling-through-schedule/roadmap-for-new-schedule-offerors/1-get-ready/available-offerings-and-requirements">https://www.gsa.gov/buying-selling/purchasing-programs/gsa-multiple-award-schedule/selling-through-schedule/roadmap-for-new-schedule-offerors/1-get-ready/available-offerings-and-requirements</a>
<b>Refurbished/Remanufactured Items</b>	
Can you please advise GSA's definition of remanufactured versus refurbished?	In accordance with 552.238-78, remanufactured is defined as "factory rebuilt to original specifications."
Will GSA take action to remove remanufactured items other than toner cartridges from SIN 339940? There are currently remanufactured desk phones assigned to that SIN.	GSA continuously works to ensure that only authorized items are awarded under the MAS program. GSA will continue to identify unauthorized items throughout the program and coordinate removal as necessary
We are in the process of developing and submitting a proposal through eOffer to renew our expiring GSA MAS contract which ran for 10 years and expires in 90 days from now. Therefore, we are presenting the eOffer against the refresh 9 GSA templates. Is refresh 10 going to upend all our work within our Refresh 9 based response?	If the offer is submitted prior to March 31, 2022, the CO will notify you via an automated message through eOffer to update all documents to the latest Refresh. If the offer will not be submitted prior to Refresh 10, you will need to move all necessary documents to Refresh 10.
<b>Packaged Furniture</b>	
For package office furniture, will there be a specific template we need to use for CTA's?	There will not be a specific template that is required. However, there will be an example CTA provided that can be used.
<b>52.222-55 Minimum Wages for Contractor Workers</b>	
When minimum wage is increased, are current workers on a Federal contract to have their pay adjusted up by the same percent increase in minimum wage?	FAR Part 22.1900 describes policies and procedures to implement Executive Order (E.O.) 14026, Increasing the Minimum Wage for Federal Contractors
If we are a Mfg of COTS items and these items are sold to both the commercial market as well as to GSA through our MAS contract, how do we determine which employees fall under the new Minimum Wage requirement?	For details on the final rule and instructions for submitting specific questions regarding interpretation and enforcement, please refer to the following link: <a href="https://www.federalregister.gov/documents/2021/11/24/2021-25317/increasing-the-minimum-wage-for-federal-contractors">https://www.federalregister.gov/documents/2021/11/24/2021-25317/increasing-the-minimum-wage-for-federal-contractors</a>
In regard to the minimum of \$15 in wages, we understand that fringe benefits are in addition to this. How are these benefits measured?	For details on the final rule and instructions for submitting specific questions regarding interpretation and enforcement, please refer to the following link: <a href="https://www.federalregister.gov/documents/2021/11/24/2021-25317/increasing-the-minimum-wage-for-federal-contractors">https://www.federalregister.gov/documents/2021/11/24/2021-25317/increasing-the-minimum-wage-for-federal-contractors</a>
<b>General</b>	
Is "SIN" still the preferred nomenclature or should we use "category" - asking for internal training/understanding purposes	SIN is still a preferred nomenclature. SINs are a subset of a subcategory which are both included in the Large Category attachments.
Is it a firm date for the issue of Refresh 10 on March 31 or could this be delayed?	Yes, GSA intends to publish Refresh 10 on 3/31/2022
